

Lawyers get caught up in the Frenzy

The legal community didn't waste any time getting caught up in the Legal Food Frenzy this year. This annual food and fund drive is a competition between law firms across Virginia. For the second consecutive year, Attorney General Bob McDonnell challenged every Virginia lawyer to do their part to help end hunger in their communities. They didn't come up short.

It was a record-breaking year as lawyers within the Blue Ridge Area Food Bank Network raised nearly 82,000 pounds of food in two weeks! Our top three winners were: First Place, Wharton, Aldhizer & Weaver, PLC of Harrisonburg; Second Place, McGuire Woods, LLP of Charlottesville; and Third Place, Campbell, Miller, Zimmerman PC of Leesburg. We are thankful to all those who contributed and congratulations to our winners!
